A Message From Our CEO, January Contreras

In October 2013, we opened the doors to Arizona Legal Women and Youth Services (ALWAYS). More importantly, we opened the doors to justice for our community’s most vulnerable young people – teens and young adults whose lives have been torn apart by homelessness, human trafficking, and abuse.

In our first year, ALWAYS eliminated legal barriers to stability and safety for 59 youth and women. We provided free legal services addressing human trafficking, youth homelessness, and domestic violence including family law, barriers to employment, and immigration.

We trained more than 400 social service providers, attorneys, law enforcement officers, and juvenile justice professionals readying them with the information and resources they need to support homeless, trafficked, and abused young people.

We partnered with community change leaders to launch the Arizona Partnership to End Domestic Trafficking, a coordinated network of services and training for Arizona’s anti-trafficking community. Through the Arizona Partnership, we expanded our free legal services into Southern Arizona.

We established and continue to expand our network of pro bono attorneys extending ALWAYS’ reach and making skilled and specialized counsel available to young people who would otherwise be locked out of the justice system.

ALWAYS is helping young people to reclaim their futures. It’s a tremendous privilege to be a part of the lives of young people as they escape homelessness and violence, regain employment, and build safety and stability for themselves and their children.

ALWAYS stands with these young people as they seek justice, and we are grateful that we do not stand alone. Whether you are a community partner, a volunteer, a philanthropic supporter, or one of the resilient survivors of homelessness, trafficking, and abuse; you’re an important part of the ALWAYS family.

Together, we stand for justice. Together, we are ALWAYS.

**KEEPING THE DOORS TO JUSTICE OPEN FOR ROGELIO**

Born in Mexico, Rogelio was brought to the United States as an undocumented child. As a young adult, he couldn’t find work without legal residency and soon became homeless. Unsure how to help him, staff at a local homeless program referred Rogelio to ALWAYS for help. With his ALWAYS attorney, Rogelio applied for authorization to live and work in the United States under the Federal Deferred Action for Childhood Arrivals Program in 2014. Rogelio’s application was approved allowing him to obtain legal employment and escape homelessness without fear of deportation.

Because ALWAYS kept the doors to justice open for Rogelio, he has a fair chance at achieving his American dream.

PROVIDING FREE LEGAL SERVICES

A Fresh Start for Joy
Like many victims of sex trafficking, Joy had a history of arrest. When she escaped and started a new life, her criminal record prevented her from accomplishing her goal of helping others through nursing.

With ALWAYS’ help, Joy requested and received a good cause waiver allowing her to obtain fingerprint clearance and pursue her new career as a nurse.

A Safe Home for Alyssa
When Alyssa’s abusive boyfriend threatened her, ALWAYS was by her side. ALWAYS assisted Alyssa to obtain an order of protection preventing her ex-boyfriend from coming in contact with her.

ALWAYS negotiated with Alyssa’s landlord allowing her to move to a safe home away from her abuser.
